

## **Newman Alternative Spring Break Application For Spring Break, March 2012**

We are so glad that you are considering participating in Alternative Spring Break with the JPPI Newman Center. This year we will be returning to eastern Kentucky through a program called WorkFest with the Christian Appalachian Project (CAP). The CAP WorkFest emphasizes service, spirituality, and learning. We will be building and repairing homes for low-income families in Appalachia. The trip is a very rewarding experience.

Please answer the following questions fully. The recommended length for each answer is 100-200 words (two to three paragraphs). **Please send your response ELECTRONICALLY** to Magen Rooney <mroone4@gmail.com>. This application is due **JANUARY 13, 2012**.

Space is limited on this trip, so admission to the program will be based upon (a) the promptness of your submission, and (b) the quality of your responses.

We will have three mandatory meetings prior to the trip. A deposit of \$100 will be required at the first meeting to secure your spot on the trip. The dates of the meetings are February 6, February 20, and March 5. The times for the meetings are TBA.

Thanks! We look forward to reading your responses.

Best,

Molly Mungovan (Campus Minister)
