

John Paul II Newman Center

Serving the Students, Faculty and Staff of the University of Illinois – Chicago

Letter of Intent

On a visit to the United States, Pope John Paul II noted “One cannot meet with college and university students anywhere in the world without hearing their questions and sensing their anxieties. In their hearts, your students have many questions about faith, religious practice, and holiness of life. Each one arrives on your campuses with a family background, a personal history, and an acquired culture. They all want to be accepted, loved and supported by a Christian educational community which shows friendship, and authentic spiritual commitment.”

Catholic Campus Ministry at UIC helps meet the needs in the hearts of students, faculty and staff of this important university. The mission of the John Paul II Newman Center is to provide a welcoming Catholic community, nurture faith and intellectual growth, foster full Christian participation in leadership in the Church and society, inspire lives of service, stewardship and social justice, and promote the integration of spiritual and intellectual life at UIC.
